**title:** The Movie In The House

**air date:** June 17, 2005

## summary

Maya takes me to see *The Perfect Man* starring Hilary Duff and Heather Locklear. I don’t get a whole lot out of it like I did with *Raise Your Voice*. Maya hates the movie. Other than that, it is pretty uneventful.

## quotes

**maya:** “That movie sucked; bad acting, bad plot, bad writing.”

**blaze:** “I didn’t like it that much either.”

**title:** Severe Crush Damage (Reliving December 2004 But In A Negative Way)

**air date:** September 11, 2005

---

**summary**

I'm out walking with Mom and we run into *OK!* magazine with an article about Hilary Duff and her home life. I don't want to get it, but Mom buys it for me. I read about Hilary and her boyfriend Joel Madden and I am disgusted. Only this time I let it ruin my day. I obsess about it like Danny with his OCD. The possibility of my crush getting axed is great today, more than ever before.

**notes**

Two years ago, Courtney left my school and I feel the same way I did then.

Hilary and Joel apparently started dating in 2004, but it was not explicit till 2005.

Joel Madden is eight years older than Hilary and me.

**quotes**

**mom:** "I want you to focus more on Kelly Clarkson."

**me:** "She's five years older than me."

**mom:** "So? I'm sick of hearing about Hilary Duff."

**soundtrack listing**

advantage of. In this case I was becoming Hilary's dummy because I was clinging to her all this time while she was with Joel Madden.

### EPISODE 24

**title:** Hilary's Latest And Greatest Cd

**air date:** November 10, 2005

---

#### summary

I'm waiting for my bus at the end of school. I feel bad for my friend Tina C in Lower School because her dog got eaten by a coyote. Then I see Tina (my friend Ryan's sister) and that goes away instantly. I get Tina's e-mail address and my crush on Hilary goes on hiatus again while I am crushed over Tina. But this hiatus lasts very briefly when I get an e-mail from Tina telling me she has a boyfriend. Later on, Déja buys Hilary Duff's album *Most Wanted* for me.

#### notes

This is the second and last hiatus of my crush on Hilary Duff.

Deja bought me *Most Wanted* on November 28, 2005.

#### trivia

Small pets often get eaten by coyotes in this part of town, where there are canyons and the coyotes come out at night.

### EPISODE 25

**air date:** December 21, 2005

---

#### summary

A year ago this month, my crush was real up but now it's just regular. We do however go see *Cheaper by the Dozen 2*. Hil is pretty good. Ryan asks if I am going to marry her, as if I am going to be having a reality relationship with her. Which I thought I might.

#### notes

This was Ryan's last appearance in the series because of the breakup between him and Déja in February 2006.

## soundtrack listing

“Is It Love?” by Play (*Play* 2002)

### EPISODE 26

---

**title:** About Hilary

**air date:** December 30, 2005

#### summary

I am in the Ralph’s Coffee Shop. I see a magazine about the true life story of Hilary Duff and read a little about Joel Madden. This time I am able to read it without getting disgusted. I even learn about Joel Madden. He has a twin brother, an older brother, and a younger sister.

#### notes

This was Joel Madden’s second and last appearance in the series.

### EPISODE 27

---

**title:** The Same Old, Part 1

**air date:** December 31, 2005

---

#### summary

I watch Hilary on TV. Her voice sounds really different than it has in the past year. It’s New Year’s Eve and it’s been almost two years that I have been crushed over her. Unfortunately, Green Day interrupts the session with Hilary and I’m really irritated.

#### notes

My hatred of Green Day was brought on when my annoying old friend from elementary school told me to like them instead of Hilary Duff.

I now like Green Day.

#### trivia

I don’t really like to be roped into things. Whenever I am, I begin to blacklist the things I’m being roped into.

It's now the New Year and Hilary Duff is hosting *New Year's Eve Live*. She sings "Beat of My Heart." I lie in bed and watch her. I also watch *Napolean Dynamite*, which her sister Haylie stars in as well.

### summary

Bo buys me *The Perfect Man* on DVD. My collection is now as follows: the *Lizzie McGuire* movie; the poster, which is no longer hung on my door; the collage; *Cheaper by the Dozen*; *A Cinderella Story*; *Raise Your Voice*; and last but not least, *The Perfect Man*. I don't really know how I feel about *The Perfect Man*.

### notes

I have not watched *The Perfect Man* since this day.

### EPISODE 30

---

**title:** I Live It Again

**air date:** April 1, 2006

---

### summary

It's been twenty-three months since I became a fan of Hilary Duff. It's a Saturday. I go for a driving lesson with Gabe and then go out to the 99-cent store in Encinitas with Mom and Nana. Then I go out with Bo. We go to the hot tub, sauna, and pool (the "Jewish Triathlon").

### notes

On this day I become a fan of Andrea Barber who plays Kimmy Gibbler on *Full House*. I've been watching this show in syndication for a while, but I become a fan of hers for only one day.

## chapter twelve

Hilary Duff does not appear in this episode. This is the fourth consecutive episode in which she does not appear. Cause: Focus on another girl.

### EPISODE 31

---

**title:** Things That Come

**air date:** May 27, 2006

---

#### summary

When a Saturday groove plan doesn't work out, I get really upset. But aside from that, in addition to being a fan of Madonna (not a crush, just fanhood) I have developed a crush on Tatyana Ali (Ashley Banks on *The Fresh Prince of Bel-Air*). I go out and get a haircut with Lavander that day. The next day my thing with Tatyana Ali is getting warmed up. In the afternoon I go out with Gabe and Mom to look for a suit and tie for graduation. Then I go out with Bo. He buys me Grand Theft Auto, San Andreas.

#### notes

This is the last appearance of Gabe in the series.

Hilary Duff does not appear in this episode—the fifth consecutive episode where she does not appear. Reason: Focus on another girl.

This is also the last time I am seen shopping in the series.

### EPISODE 32

---

**title:** Code Hilary

**air date:** July 14, 2006

---

#### summary

My crush happens to be back to normal. I wake up in the morning from having a dream of being in an elevator with a chick and being romantic. It was an unidentified chick, so I decided it was Hannah Montana from the *Hannah Montana* show. I decide to be crushed over her for the day and pretend to run away from my problems with her. I then think about her from the minute I get up to the minute I go down, just like I had done with Hilary Duff. When a swimming plan doesn't work out and I get into a fight with Déja, I pretend Hannah Montana is sitting next to me on the couch and we are talking. But this crush ceases after only one day.

**EPISODE 33**

---

**title:** That Movie Rocks (Wrapping The Crush) Part 1      **air date:** August 18, 2006

---

**summary**

*Material Girls* opens and I go to see it with Maya. In the movie Hilary and Haylie Duff play two sisters who go broke. Today it seems like everything related to Hilary has happened before, except for two new things:

**Happened Before:**

1. Hilary and Haylie being in the same movie or show together
2. Haylie Duff crying
3. Hilary Duff crying constantly like in *Raise Your Voice*
4. Haylie having a spell on me
5. Another star of *Lizzie McGuire* starring in the movie with Hil
6. Hilary Duff singing

**New Events:**

1. Hilary Duff performing a song by another artist; "Material Girl" by Madonna
2. Hilary Duff going to jail in the movie

**EPISODE 34**

---

**title:** That Movie Rocks (Wrapping The Crush) Part 2      **air date:** august 18, 2006

---

**summary**

I enjoy the movie as today is the last day of my crush on Hilary Duff. It is as if the spirits know that today is going to be the day when my crush ends. I've been listening to Jimi Hendrix singing "Red House." The last lyric says, "If my baby don't love me no more, I know her sister will." I consider doing this with Haylie and potentially being crushed over Haylie maybe in a couple of years. Later on when the movie ends, right there is where my crush on Hilary Duff ends for good. I decided to end it because she has not had much work this year and I have been interested in other girls. Matt has a very hard time believing this when I tell him. I kind of knew ahead of time that this was going to be the last event of my crush on Hilary Duff. But then it was uncertain for a while what was going to happen to the crush. But then, official decision: Today it ends.

### notes

This episode was split into two parts because I had to go to the bathroom in the middle of *Material Girls*.

In 2002 production on *Lizzie McGuire* was wrapped when Hilary wanted to move higher with her career and they did not want to replace her. Four years later I land in the exact same bubble and wrap production on my crush on Hilary Duff for the same reason. However, I gave no indication that this would be the series' last episode.

This is like *Full House* on the last episode of the series, which was titled "Michelle Rides Again." In this series finale, Joey, Uncle Jesse, and Danny try to reboot Michelle's memory after she falls off her horse. All the regulars who had ever starred on the show appeared in the last few minutes of the series. Today, everything I've experienced during my crush happens on the same day, the last episode of my crush on Hilary Duff. It ends the same way *Full House* did, but eleven years later.

### quotes

**maya:** "I think Haylie's a better actress than Hilary."

**me (last line of the series):** "Jimi Hendrix is in the house."

(Maya doesn't really listen to this comment or care much about it)

But I did ask her. Matt comes into town to visit and we exchange words about how my crush on Hilary Duff ended.
